## A CARSE OF GOWRIE KIRK CANTER

Not many people know of the little ruined and not so ruined medieval churches in the Carse of Gowrie - many dating as far back as the 12th century.

An afternoon bus run has been arranged to visit some of these sites.

It is proposed to leave Dundee at Meadowside opposite the G.P.O at 1.30pm on Saturday 19th June, 2010. Please bring a picnic for consumption at one of the sites.

The cost will be £10 per person.
