J. Elder

Killed in Action Date 29 December 1917

Place Near Ypres

Buried

Story James Elder, a former dux medallist of the school, was an undergraduate in the University of St Andrews when the war commenced. After a course of training in the University OTC he received his commission in the 13th Royal Scots. He had been almost three years in the field when he was killed in action near Ypres in 1917.
