Cause of Leavin	Left this date without giving a month's notice. He complained that he failed to get a pass yesterday from the matron, who, it appears, was for some time out, and Milne did not inform Mr Hart that he had failed to get his pass, else Mr Hart would have enquired into the matter. I refused to allow Milne away and I told he would have to work a month's warning, but he left and said nothing about payments. I found the matron made out the pass from 2 to 9pm and that Mr Tait deliver it to Milne					Comments
